OFFICE SHREDDERS

Standard Features

- Auto Start/Auto Stop: Optical sensor detects paper and starts operation automatically
- Door Safety Sensor: Motor stops automatically if cabinet door is opened
- Auto Reverse: In case of paper jam, built-in controls switch motor into reverse to clear jam
- Heat-treated steel cutters are specially ground for longevity and require minimal oil
- High Quality Geared Motor: Powerful, efficient AC geared-motor with heavy duty steel gears for high performance and minimal noise
- Extra-wide 16" feed opening
- All metal cabinet with casters
- Auto Sensor: When the waste bin is full, the motor stops automatically
- Lifetime Guaranteed heavy-duty waste bin
- Auto Cleaning: If shred capacity is decreased, press reverse button for 5 seconds and motor will run in reverse for 1 minute
- Cutter Auto Stop: If shredding is continuous for more than 30 minutes, cutter revolution stops automatically
- Self-Diagnosis System: Records operation time, number of auto-reverse sequences, volume of paper shredded, and can display information for service technicians
- Thermal overload protection
- Safety Circuit Breaker ensures safe operation
- Optical Sensor sensitivity recovery: Can be reset by pressing the stop button for 7 seconds

Abilities:

- Accepts staples, paper clips and credit cards
- Manual Function: Can be used when shredding small sized paper or films which can't be detected by the sensor

Warranty

- 10-Year Limited Warranty on cross-cut and strip-cut cutting head

Control Panel

Commercial-grade components in a sleek, practical design

Formax FD 8600CC & FD 8600SC Office Shredders combine document security with convenience, safety and reliability. Cross-cut and Strip-cut models feature an easy-to-use LED control panel and an extra-wide 16" feed opening which accommodates green-bar computer forms. Commercial-grade components include heat-treated steel blades, a steel cabinet, lifetime guaranteed waste bin, and a powerful AC geared-motor to ensure years of reliable performance and information security in your office environment.
