AND REDUCE COSTS!**

ADDRESS PRINTER HJ710

An eye-catching, accurate mailing is far more likely to be opened. When you invest in a mailing, you want it to have the best possible impact and the highest chance of a response. The professional look offered by the Hasler HJ710 desktop address and bar code printer lets you turn a blank space on a standard envelope into a powerful medium for your message.

The HJ710 eliminates the tedious task of manually placing adhesive labels on envelopes and postcards. Combined with address management software, it reduces duplicate and inaccurate mailings and maximizes Postal Services volume discounts. Its shuttle head technology gives you the versatility to print addresses, logos, graphics and message lines all in a single pass.

The HJ710 will save you money, reduce mailing turnaround time and increase your overall mailroom productivity.

The HJ710 provides valuable benefits:

- Prints up to 14,000 No. 10 envelopes per hour
- Reduces duplicates and cuts undeliverables
- Maximizes USPS discounts
- Eliminates cumbersome manual operation
- Uses HP Inkjet Technology

**Boost response rates with
accurate, professional mailings!**
